

KULMIS Logistics & Construction Company

COMPANY PROFILE · ESTABLISHED 2021

Kismayo, Somalia | Construction · Logistics · Agriculture · Hospitality

Who we are

KULMIS Logistics & Construction Company brings together construction and engineering, logistics and supply, transportation, agriculture and hospitality services across Somalia.

Our services

Construction and engineering
Building works, foundations and water infrastructure.

Logistics, supply and transportation
Procurement, cargo movement, distribution and essential supplies through coordinated road and sea logistics; air transport enquiries assessed individually.

Agriculture
Irrigation infrastructure and agricultural inputs, tools and machinery supply.

Hospitality
Dining, accommodation and gatherings through KULMIS Garden in Kismayo.

Our mission

To deliver practical, safe, transparent and cost-effective services while creating local employment, strengthening supply chains and contributing to sustainable economic development.

Values

Integrity · Professionalism · Safety · Excellence · Accountability · Customer Focus · Teamwork · Innovation · Sustainability
